Dearest partner,

Enclosed you will find an overview of our Partner Opportunities for the ECoP Course 2024, which will be organized on Monday, Tuesday and Wednesday, October 21-23, 2024, in the CORPUS Congress Centre, Bio Science Park Leiden, the Netherlands.

There are many opportunities for our medical industrial partners to promote themselves at this third ECoP Course. Therefore, it is our great pleasure to invite you to become a partner for this ECoP Course. This course is organized with educational lectures especially for the professionals dedicated to venous disease. All professionals: nurses, vascular technicians, doctors, medical specialists, trainees, and all others involved in venous pathology are invited to join in. The program is adjusted to the curriculum of the UEMS to improve the theoretical knowledge, understanding of all diagnostic and therapeutic tools and follow-up assessments in venous disease.

The ECoP Course 2024 will offer the participants:

- A welcome cocktail.
- More than 60 invited lectures on venous subjects in 10 scientific sessions,
- 20 industrial sponsored sessions
- 10 case discussions/how I do it / tips and tricks sessions related to the scientific topics by experts in the field.

It will all be according the MedTech regulations, and valued with CME points.
